This morning, visit Kota Mahsuri (Mahsuri Mausoleum) with its fabled historical past is a significant site on the island that have been preserved for posterity. Legend has it that with her dying breath, she placed a curse on the island dooming it for seven generations. Fact or legend, seven generations have passed and Langkawi has emerged from its chrysalis as an obscure sleepy island into a thriving, vibrant idyllic island. Then, visit a Gamat factory, where you can witness the preparation of the sea-cucumber into traditional medical oils, soaps, pills and powder. Underwater World Langkawi features the island's rich treasure trove of marine life, it features more than 100 tanks of different sizes. The highlight is a giant tank that houses large marine species such as sharks, stingrays, moray eels and green turtles, with a 15-metre viewing tunnel for visitors to walk through. Continue our tour to Eagle Square or Dataran Lang, it is Langkawi's most prominent landmark for visitors arriving by sea. Situated near the Kuah Jetty, the main attraction of the square is the magnificent gigantic statue of the reddish brown eagle majestically poised for flight.
